

# LOOK WHAT'S COMING:

## to our neighbourhood, a Cement Factory!

In Spring 2005, Toronto Redi-Mix plans to build a cement factory near family homes. It will be located in the Lakeshore Community between 13<sup>th</sup> and 16<sup>th</sup> Streets.

Councillor Mark Grimes states that he supports industry, and a Cement Factory is appropriate for the zoning of 207 New Toronto Street.

**When you think of your home, of your neighbourhood, do you think of:**

A BEAUTIFUL COMMUNITY NEAR THE LAKE  
**Just steps away from a Cement Factory?**

GOOD NEIGHBOURS  
**Continuous, loud, abrasive noise. Mountains of sand and gravel**

THE VISION FOR THE FUTURE OF YOUR COMMUNITY  
PROSPEROUS, SAFE AND HEALTHY LIVING  
**Does an Industrial Cement Production Facility belong beside housing?**

**WHAT CAN I DO if a cement factory is not part of my vision?**

**Let City Council know. NOW! Before they start building.**
